Follow-up to Support Questions
You asked - Who will you be supporting?

- Grad students? Temps?
- Dual appointments? Lecturers?

We’re also thinking about - how & when faculty devices are best updated

- At initial rollout (with staff) - opt in
- When due for hardware replacement
- In response to major hardware/software failure
- Updates on-request may be limited by our capacity
Follow-up to Rates Questions
You asked…

- How much will this cost my unit (and how was that number determined)?

- How are graduate students / temp staff / faculty with dual appointments accounted for in the Human Capital Report?
Engagement with Deans
Discussion

How can we help you keep your dean well informed of upcoming initiatives and services?
Thank you!
